Devices and technology

Lesson 2-1
Book pages 40-42

💡 **Big idea:** We use many **devices** every day: laptop, smartphone, tablet, printer and more. We use them to **watch, listen, read, take photos and do homework**.

🎯 **I will learn:**
- Learn words for devices and technology
- Read a blog about how children use technology
- Talk about the devices I use

📖 Key words

device جهاز	**laptop** حاسوب محمول	**headphones** سماعات رأس	**printer** طابعة
speaker مكبر صوت	**screen** شاشة	**password** كلمة مرور	**website** موقع إلكتروني

Devices

- **laptop**, **smartphone**, **tablet**
- **digital camera** takes better photos than a smartphone
- **headphones** and **speaker** for listening
- **printer** for printing homework
- **e-reader** for reading books

Using technology

- An **app** is a program on a phone or tablet
- A **website** is a page on the internet
- A **password** keeps your account safe
- Devices with a **screen**: TV, laptop, tablet, smartphone, e-reader

The WOW! Blog

- Arlo likes watching sport on TV because the screen is bigger
- Reem loves her digital camera
- Julia uses headphones so nobody else can hear
- Sultan uses his laptop and sends work to the school homework website

Words for devices

✏️ Examples

You use these to listen to music alone.

Answer: headphones

Put in order of size, biggest first: smartphone, TV, tablet

Answer: TV, tablet, smartphone

⭐ Remember

- Learn devices in groups: for watching, for listening, for reading, for writing

⚠️ Watch out

- Don't share your **password** with other people

🧩 **Activity:** Ask your group: How many devices do you have? What's your favourite device and what do you use it for?

✅ Check yourself

1. What do you use to print homework?
2. What keeps your account safe?
3. Which device do you use for reading books?

Answers: (1) a printer ، (2) a password ، (3) an e-reader
