Unit 2: Technology

Technology helps us and asking for help

Lesson 2-4
Book pages 50-53

💡 **Big idea:** **Technology helps** young students with special needs around the world. We use **Could you ...? / Can you show me how to ...? / Do you have time to ...?** to **ask for help**.

🎯 **I will learn:**
- Read about how technology helps students with special needs
- Ask for help politely
- Make a spider diagram about technology and learning

📖 Key words

special needs احتياجات خاصة	**Virtual Reality** الواقع الافتراضي	**deaf** أصم	**vibration** اهتزاز
alarm clock منبه	**revise** يراجع الدروس	**spider diagram** مخطط عنكبوتي	

Technology helps us!

- Some children with **Down's Syndrome** find it difficult to hold a pen
- They can use **Virtual Reality (VR)** to help them paint beautiful pictures
- Children who are **deaf** can use special alarm clocks with **lights and vibrations**
- In India, some young people can't see well, so **e-readers** make letters very large and can read words aloud
- Fact: people who cannot talk can use their eyes to make computers do things for them!

Asking for help

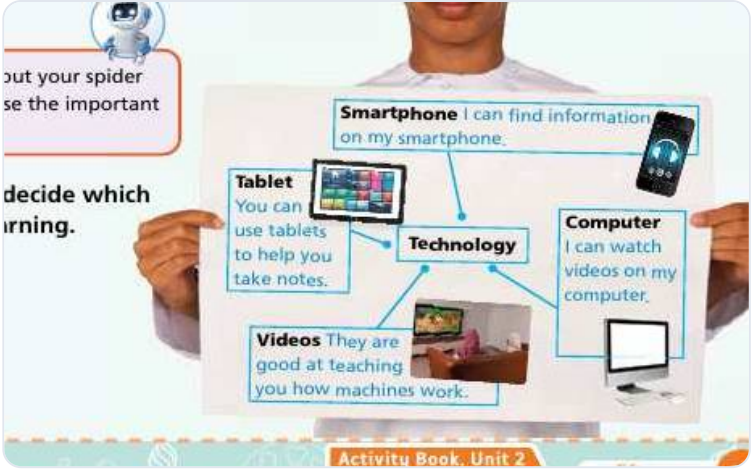

- **Could you ...?** Could you help me after dinner, please?
- **Can you show me how to ...?** Can you show me how to turn it on?
- **Do you have time to ...?** Do you have time to help me revise?
- Answers: **Of course.** It's easy!
- **Sorry, not now.**

Project: a spider diagram

- Write **Technology** in the middle of the poster
- Write devices around it
- Add how each one helps you learn
- Phrases: You can use ... to help you to ...
- ... are very good at teaching you about ...

Say it! Asking for help
