

Unit 1: Our planet

Our Planet: The Environment

Lesson 1-1
Book pages 14-16

💡 **Big idea:** Learn words about **the environment**: the problems our planet has and the things we can do to **protect** it.

🎯 **I will learn:**
- Learn words for the environment
- Sort words into problems and solutions
- Talk about recycling and saving energy

📖 Key words

protect the environment يحمي البيئة	**climate change** تغيّر المناخ	**recycle** يعيد التدوير	**pollution** التلوث
waste energy يهدر الطاقة	**switch off lights** يطفئ الأنوار	**destroy the rainforests** يدمّر الغابات المطيرة	**pick up rubbish** يلتقط القمامة
renewable energy الطاقة المتجددة	**global warming** الاحتباس الحراري		

Our planet's problems

- climate change
- pollution
- global warming
- waste energy
- destroy the rainforests

Things we can do to help

- protect the environment
- save water
- plant trees
- switch off lights
- recycle
- pick up rubbish
- use renewable energy

The WOW! blog

- **Ali** is worried about global warming
- **Manar** picked up more than 30 pieces of rubbish in the Beach Clean
- **Rosie** made an oven out of an old pizza box and sunlight
- **Eric** planted a tree in his garden

Environment words: match the pictures

🧩 **Activity:** Make a list of things you recycle at home

✅ Check yourself

1. What is the opposite of waste energy?
2. Name one type of renewable energy
3. What did Manar do at the Beach Clean?

Answers: (1) save energy ، (2) solar energy ، (3) She picked up rubbish
