Unit 1: Our planet

Climate Change and Animals & Giving Advice

Lesson 1-5
Book pages 24-27

💡 **Big idea:** Climate change puts animals like **polar bears**, **giant pandas** and **Arabian tahrs** in danger. We can help by giving and following good **advice**.

🎯 **I will learn:**
- Read about animals in danger because of climate change
- Give advice using polite expressions
- Recognise silent letters

📖 Key words

extinct منقرض	**in danger** في خطر	**endangered animal** حيوان مهدد بالانقراض	**sea ice** الجليد البحري
bamboo الخيزران	**habitat** موطن	**advice** نصيحة	**Arabian tahr** الطهر العربي

Animals in danger

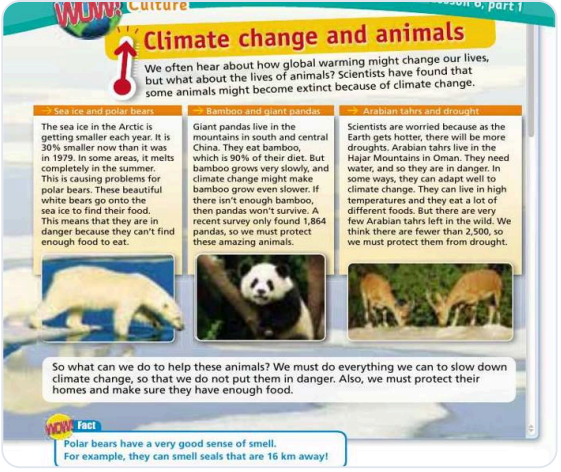

- **Polar bears**: the sea ice in the Arctic is melting so they can't find enough food
- **Giant pandas**: climate change might make bamboo grow slower
- **Arabian tahrs** live in the Hajar Mountains in Oman and are in danger from drought
- There are fewer than 2,500 Arabian tahrs left

Giving advice (Say it!)

- I think you should ...
- Perhaps you ought to ...
- You could always ...
- If I were you, I would ...
- Why don't you ...?

Silent letters

- We don't say some letters: mu**s**tn't, shou**l**dn't, li**gh**tning

Climate change and animals

🧩 **Activity:** Project: in groups, write an action plan to help an endangered animal like the Arabian oryx or Arabian tahr

✅ Check yourself

1. Where do Arabian tahrs live?
2. Why are polar bears in danger?
3. Give one way to give advice

Answers: (1) in the Hajar Mountains in Oman ، (2) The sea ice is melting ، (3) If I were you, I would...
