Culture: Ready for Something New?

💡 **Big idea:** Read about three **unusual sports**: **underwater hockey**, **bamboo drifting** and **cycleball**.

🎯 **I will learn:** Read about unusual sports around the world | Compare sports | Make a poster about an unusual sport for PE

📖 Key words

unusual غير مألوف	**puck** قرص الهوكي	**bamboo** الخيزران
team فريق	**goal** هدف	**halves** شوطان

Underwater hockey

- First played in the UK in the 1950s
- Two teams of six players at the bottom of a swimming pool
- Players hit the puck with a stick into the goal

Bamboo drifting

- Started about 1,000 years ago in China
- You stand on a long piece of bamboo on a river
- You use a thin stick to move through the water

Cycleball

- Started in America in 1893 by Nicholas Kaufman
- Football played on bikes
- You can't use your feet or hands, only the bike

Unusual sports: underwater hockey, bamboo drifting and cycleball

🧩 **Activity:** Project: in groups, make a poster about an unusual sport for PE lessons with its history and rules

✅ Check yourself

1. Where did bamboo drifting start?
2. How many players are in an underwater hockey team?
3. What do you use in cycleball?

Answers: (1) China , (2) six , (3) a bike
