

Unit 3: Let's explore!

Let's explore! Space and will / won't

Lesson 3-1
Book pages 58-62

💡 **Big idea:** We learn **space** words and use **will** and **won't** to talk about the future and make decisions: I'll get him a present. I won't get him a book.

🎯 **I will learn:** Name space objects | Use will and won't for the future | Use time words | Plan a surprise party

📖 Key words

Sun الشمس	**Moon** القمر	**Earth** الأرض	**planet** كوكب
star نجم	**solar system** المجموعة الشمسية	**telescope** تلسكوب	**comet** مذنّب
rocket صاروخ	**space station** محطة فضائية	**spacesuit** بدلة الفضاء	**satellite** قمر صناعي

will / won't

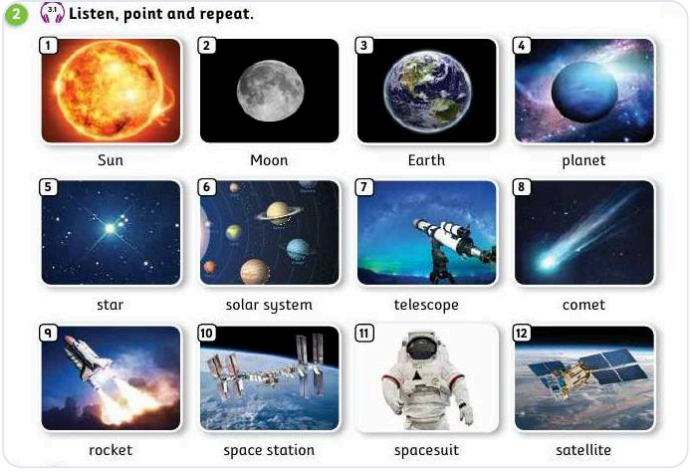

- It's Hilal's birthday tomorrow. **I'll** get him a present later.
- What **will** you get him?
- No, I **won't** get him a book. I think I'll get him a game.
- I'll = I will
- I won't = I will not

Time words

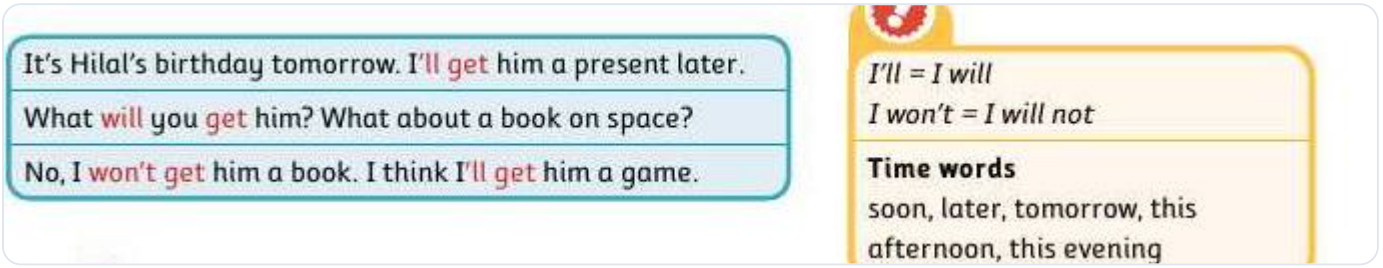

- soon, later, tomorrow
- this afternoon, this evening

Story: The Science Fair

- The children make a model of the solar system.
- The Moon is about 380,000 kilometres from the Earth.
- In space, everything is weightless. Everything floats away!

Space words: Sun, Moon, Earth, planet, star...

Grammar: will and won't

✏️ Examples

I / bake a rocket cake (yes)

Answer: I'll bake a rocket cake.

She / buy the drinks (no)

Answer: She won't buy the drinks.

⭐ Remember

- will + base verb: I'll go, she'll buy, they won't come

⚠️ Watch out

- Say 'I will go', not 'I will to go' or 'I will goes'.

🧩 **Activity:** Plan a surprise space birthday party with your group: What will you do? What won't you do?

✅ Check yourself

1. Arabic of 'satellite'?
2. Short form of 'will not'?
3. Arabic of 'comet'?
4. How far is the Moon?

Answers: (1) قمر صناعي ، (2) won't ، (3) مذنّب ، (4) about 380,000 kilometres
