Malls vs souqs

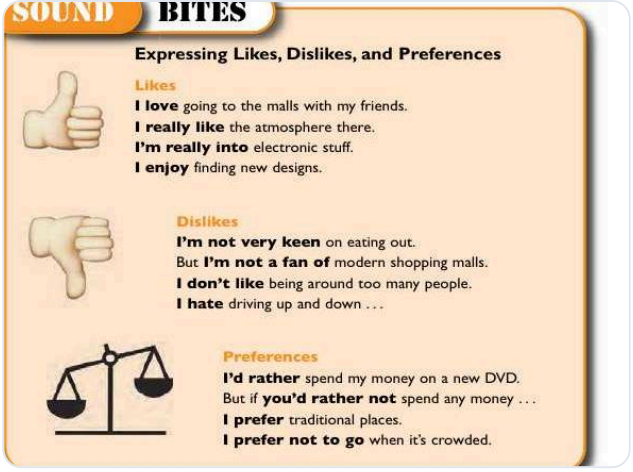

- Malls: coffee bars, bright lights, wide walkways, top brand names, latest fashions, easy parking
- Souqs: narrow passages with tiny shops, traditional market style, friendly shopkeepers, opportunities for bargaining, old-fashioned charm

Top tip: learning to predict

- Before you listen, think about the information you are likely to hear
- This helps you guess more easily the vocabulary on the topic

Soundbites: likes, dislikes, preferences

- Likes: I love… / I really like… / I'm really into… / I enjoy…
- Dislikes: I'm not very keen on… / I'm not a fan of… / I don't like… / I hate…
- Preferences: I'd rather + verb / I prefer + noun or -ing

Soundbites: expressing likes, dislikes and preferences (p.9)

✏️ Examples

Answer: I'd rather go to the souq because I enjoy bargaining.

⭐ Remember

- After 'I'd rather' use the base verb: I'd rather **stay** at home. After 'I'm into / I enjoy' use -ing: I enjoy **shopping**.

⚠️ Watch out
