Theme 2: Starting University

Studying Abroad (Vocabulary: lexical fields)

Lesson 2-3
Book pages 22-23

💡 **Big idea:** Studying abroad is more than getting a degree: it means adapting to a new **culture** and meeting new people. Prepare yourself, **reduce homesickness**, and keep a **positive attitude**. We learn to guess words from context and **group words** into topics.

🎯 **I will learn:**

- Skim a text to find a specific answer
- Guess meanings of words from context
- Group words into lexical fields
- Discuss advantages and disadvantages of studying abroad

📖 Key words

accommodation سكن	**abroad** في الخارج	**adapt** يتكيف	**reduce** يُقلل
issue مشكلة / قضية	**coping** التعامل والتأقلم	**influence** يؤثر	**scary** مخيف
positive attitude موقف إيجابي	**degree** شهادة جامعية		

Getting ready to study abroad

- Talk to people who studied in the same town or university
- Read the university website: students, accommodation, activities, support services
- Learn about the town: big or small, coast or inland, transport, attractions

Reducing homesickness

- Involve your family in planning your trip
- Sort out any issues at home before you go
- Start doing things for yourself: washing, ironing, cooking
- Keep a positive attitude
- it will influence how you behave

Top tip: grouping words

- Group words into subject areas (lexical fields)
- Words associated together are easier to remember
- Example field 'cities': buildings, transport, population, shopping, traffic
