Project: Design a blog

Lesson 1-5
Book pages 10-11

💡 **Big idea:** We look at **Noora's blog** about building robots and learn the difference between a **homepage** and a **blog post**. Then we work in a team to **plan and design a blog**, thinking about **content, design** and **technical** points.

🎯 **I will learn:**
- Understand the features of a blog
- Sort tips into content, design and technical
- Make and respond to suggestions in a group
- Design a blog homepage or blog post

📖 Key words

blog مدونة	**homepage** الصفحة الرئيسية	**blog post** تدوينة	**feature** ميزة
layout تصميم الصفحة / التخطيط	**host** يستضيف (موقعًا)	**theme** قالب / سمة	**personal details** معلومات شخصية
appealing جذاب			

Noora's blog

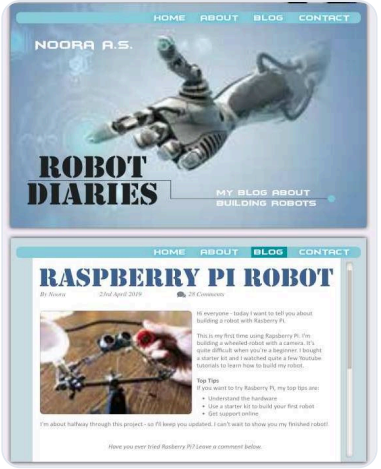

- Name: **Robot Diaries**, her blog about building robots
- Homepage: title, menu (Home, About, Blog, Contact) and a big picture
- Blog post: Raspberry Pi Robot, with date, photo, top tips and comments

Tips for a good blog

- **Content**: blog about things you love, blog regularly, include lots of photos
- **Design**: choose a design theme, attractive colours, a font that is easy to read
- **Technical**: get hosted, add social media and like buttons
- **Safety**: do not post personal details on your blog

Plan your blog

- What is your blog about? What will you call it?
- What design, layout and features will it have?
- Why will it be appealing to readers?
- How will it stand out from other blogs?

Noora's blog: homepage and blog post

✏️ Examples

Make a suggestion: "Let's call our blog Green Oman." Respond.

Answer: That's a great idea! / I'm not sure, how about ...?

Is "Choose attractive colours" content, design or technical?

Answer: Design

Why should you not post personal details?

Answer: To stay safe online

⭐ Remember

- Use suggestion phrases: Why don't we ...? / How about ...? / Let's ...
- Keep your blog simple, clear and safe

⚠️ Watch out

- ✗ Let's to make a blog. ✓ Let's make a blog.
- ✗ How about make ✓ How about making
