Project: A reusable shopping bag

Lesson 2-5
Book pages 22-23

💡 **Big idea:** We look at **reusable shopping bags** with messages about climate change, listen to a designer explain his bag, and then work in a team to **design our own bag** with a clear **message, image, slogan, colour** and **eco-friendly material**.

🎯 **I will learn:**

- Discuss the message and design of shopping bags
- Listen for details about a design
- Brainstorm and plan a bag design in a group
- Write a short explanation of our design and evaluate classmates' bags

📖 Key words
